Continuation of Substance of Interview including description of the general nature of what was discussed: discussed were the solvents in the composition of the present invention and applicability of the prior art. After careful reconsideration of the claims and the prior art applied against present claims. In view of the reconsiderations the examiner requested authorization of examiner's amendment that would cancel claim 10 and change the dependency of claim 12 from 10 to 5. Claim 10 stated that the composition contained organic solvents which limitation was already part of the claim 5. The applicants representative authorized examiner's amendment..
